

Tuition Express

You've probably noticed that gas prices are on the rise, grocery prices continue to creep upward and insurance premiums continue to skyrocket. Ivy League isn't immune to the ever-increasing costs of doing business either. With this in mind we continue to look for ways to manage our costs without compromising services.

In order for us to continue delivering the exceptional attention you expect and your children deserve, Ivy League has determined that one way for us to manage costs is to begin collecting your payments automatically.

We are using ProCare Software to help manage our centers day to day operations. Years ago Procare developed Tuition Express, an automated payment processing service that is safe, secure and simple (please read article below). Tuition Express is the most economical service in the industry and promises to deliver the convenience of automatic payments and reduce the center's overhead.

Here's how it will work:

- Parents will complete a [Parent Authorization Form](#) allowing Ivy League to automatically debit your account (or credit card).
- Your due date will not change. Payments are taken every **MONDAY!**
- You can also receive instant e-mail notifications by signing up at: www.tuitionexpress.com
- There are no long-term commitments required.

As your service provider, we are excited to offer you the convenience of automatic tuition payments through Tuition Express. You'll no longer need to write a check or remember your checkbook when you're picking up your child at the end of a hectic day. Your payment will be safely and securely processed by Tuition Express, giving you peace of mind that your tuition has been paid on time! It's easy to enroll and even easier to participate. You'll be joining tens of thousands of parents nationwide who enjoy the ease and convenience of Tuition Express.
